PUTTING THE PIECES TOGETHER

INSIGHTS: BUILDING ME

(WHY FIT IN WHEN YOU WERE BORN TO STAND OUT?)

Consider this:

- You will never discover who you were meant to be if you use another person to find yourself.
- You will never know what you can do by using what someone has done to measure your ability.
- You will never know why you exist if you use someone else's existence to measure it.
- You cannot become what you are born to be by remaining what you are. You are full of potential.
- Your potential is much greater than what you are right now.
- Your life will lack purpose and focus until you discover your wings.

- **Purpose:** What gives you wings? What's your why?
- **Values:** What do you believe in?
- **My Story:** What motivates you? What gives you perspective?
- **Career Aspirations:** What do you want to be or do?
- **BOD:** Who's on your Board of Directors? Are you chair of your own board?
- **Support System:** Who's in your circle? Who supports you?
- **Wounds:** What/Who holds you back? What do you need to let go of?
- **Resources:** What's available to you? What books do you read?
